Is there anything else we can do to help you and / or your child enjoy Friday club night more?
If you ticked Disagree to any of the questions above, please explain why in this box.

- We don't use the website really.
- More opportunity to play competitively would be useful at the moment.
- We enjoy the team spirit when we play 6-8pm, but playing 8-10pm would be tough on a Friday.
- I think my child should possibly be in the later session.
- I didn't know there was a website.
- This is the first time but it looks good to me as a parent.
- More themed the evenings, such as food and events.
- My child has been attending for the last eight years and has made good friends and likes it.
